

ANAS ALMEHMADI

Profile

I am a junior CS Student at UQU. I have a keen interest in Data Analysis. Additionally, I hold the position of Leader in the Organizing Committee at the Computer College Club. Moreover, I serve as the Sub-Leader in the Activities Management Committee at the Google Developer Students Club and Co-Leader of HR Management at Keptar. I am enthusiastic about continuous learning and improving my skills, as well as working on innovative projects in professional settings.
